# Copenhagen and Beyond: What Next for Environment Policy?

The views expressed by the contributors are their own and not necessarily endorsed by the TRG Honorary Officers, TRG Board or the TRG Membership.

This Tory Reform Group publication pulls together politicians and noted experts on environmental policy to discuss the challenges posed by climate change. Our next Government must take decisive action if Britain is to confront these problems successfully. The costs of moving to a low-carbon economy, the population issue and European cooperation are just some of the matters discussed in this timely pamphlet.
